

***Taking Bold Action Now to Achieve Long-term Sustainability
Of New York's Ocean and Great Lakes***

Draft Report of the NY Ocean & Great Lakes Ecosystem Conservation Council

(optional) Name _____ **Phone** _____

Please hand this in at the end of today's event, so your knowledge and ideas can benefit the next steps of Ecosystem-based Management in New York.

Priority State legislative actions, funding efficiencies & innovations

Please take a few minutes to jot down some key ideas and reflections, based on the presentations, the participant packet, the attached sheet, and your own knowledge and experience.

1. Which legislative actions in the draft Report make the most sense for moving EBM forward in the next few years? You can use the numbers on the attached sheet. Other ideas?

2. Funding is always critical. Which of the funding efficiencies & innovations in the draft Report seem feasible and productive? We also welcome your ideas for innovative funding. You can use the numbers on the attached sheet.
